## **New investment in town centre will deliver more homes and jobs**

The purchase of this land is just the latest vote of confidence in the vitality of Wandsworth town centre by investors. This has however resulted in what appears to be an over complicated process. Feasibility and design costs are estimated to be £1.

## **Have your say on transforming Wandsworth Town Centre**

Work has recently completed on the redevelopment of two former council office blocks fronting Garrett Lane and Wandsworth High Street along with another formerly owned by South Thames College, which has provided 200 new homes, better teaching facilities, new shops and a revamped town centre green space.

## **WLS response to Wandsworth Town Centre proposals**

The Society objected to two applications on the site. Changes to journey times Our proposals would mean changes to journey times for road users.

## **Wandsworth Town Hall could be set for transformation**

An artist's impression of a pedestrianised town centre following the removal of the one-way system A new entrance will be built facing the town and new homes built in freed-up space. For a larger version click For a current image of Book House click An artist's impression of Wandsworth High Street east. We suggest that the adequacy of provision of Santander cycle hire docking stations in central Wandsworth be reviewed.
