Confident Parents. Peaceful Homes.

As our children gain an awareness of the larger world beyond our home and their school, they also begin to realize that they will continue to reach for independence. We learn from reflecting on experience. Your child is capable of engaging in more in-depth conversations now about others than ever before.

Having Confidence in Your Parenting Style, Approach, and Decisions

This will add to their practice of taking responsibility for jobs and offer a chance for your child to earn money this summer while helping you out! FREE for teachers of our partner schools! Or an animal is about to get run over by a car in the road at the same time your toddler brother is running down the street.

Confident Parent

Celebrate together the accomplishment of a school year filled with hard work. San Francisco, CA, US: Jossey-Bass.

The Confident Parent

The conditions in which she must work and live are horrible and some start striking and fighting back and lose their livelihood and homes in the process.

The Confident Parent

Practice and sing it with gusto! Why is your teacher so special? Further, if you were able to get through this year with your sense of integrity and morality intact, give yourself a giant gold star or your equivalent.
