What Is a Nation and Who Belongs? National Narratives and the Ethnic Imagination in Twentieth

These approaches are valuable in drawing our attention to those easily obscured, but highly significant, recesses of the national culture from which alternative constituencies of peoples and oppositional analytic capacities may emerge - youth, the everyday, nostalgia, new 'ethnicities', new social movements, 'the politics of difference'.

Nationalism, and the Image of Woman in Modern Indian by Kedar Vishwanathan

Thirdly, the booklet assesses the contributions that the Indian National Congress made to the evolution of Indian nationalism up to 1909 and evaluates the merits and demerits of its extremist and moderate factions. Thus, distant places of pilgrimage and 'slowness' of journey, according to Gandhi, were the main factors in developing common consciousness amongst the people inhabiting such a diverse and stretched geography. Peaceful Coexistence in Cyprus under British Rule 1878-1959 and after Independence: An Outline.

Politics and Nationalism in Cyprus

Rowe's work, grounded in the cosmopolitan colonialism and multiculturalism of the Caribbean, will be of note and interest to social and cultural historians of the United States, Latin America, the Caribbean, Africa, Great Britain, and the Atlantic world. In the Indian context, it was Mahatma Gandhi and Rabindranath Tagore who systematically developed a critique of contemporary nationalism. The Roman empire finally came to an end when Constantinople was captured by the Ottoman Turks in 1453, and the Christians of the Patriarchate of Constantinople joined their fellows of the Patriarchates of Alexandria, Antioch and Jerusalem as a minority under Muslim rule.
