How much evidence do you need? The faculties of Oberlin, the University of Miami, Kentucky, Nebraska, Kansas, Oregon, West Virginia, Reed College in Oregon, Bible College in Missouri-to mention only a few-furnished sponsors or members to front organizations and to cooperators with Communist causes. This fund is used for many purposes, including the trips of secret Soviet agents to Latin America, European countries, and Moscow. Stalin's imposition of a blockade of roads entering into Berlin was another attempt to test the will of the west.
