Social care services for older people

Lack of capacity is not necessarily an indicator of dementia. The essays cover three themes: the NHS and society; medicine, data and technology; and how the NHS works.

Guide to services and programs for older adults

Seniors 65+ and people with a disability can request a smaller green bin by calling 3-1-1.

NHS England » Community Centred Approaches: Service and community

Ask someone to bring you a healthy meal a few times a week. Click here for information available on Check out the providing helplines, supports and services for older people and their carers. Phone numbers and links are subject to change.

Guide to services and programs for older adults

In fact, some area agencies on aging support home delivered meals entirely under their agency administration. Communicating with older people
Common age-related conditions that affect communication can include hearing difficulties and vision changes. Also important to the state's success is the legislature's move to consolidate services into one department-the Senior and Disabled Services Division-which licenses caregivers and nursing homes, monitors quality of care and determines eligibility for people with disabilities and seniors.

NHS England » Improving care for older people

Take a stand on falls. All of the 24 test programs are using web sites that list services and contact information.
