## Stop Border Post (OSBP) facilities

Conclusion I would like to conclude by thanking the Government of Rwanda, the Government of Tanzania, as well as the Japanese consultants and contractors whose tireless efforts resulted in the successful completion of the project. It is my sincere hope that the collaboration that will take place at Rusumo will contribute not only to strengthening economic ties but will also promote lasting friendship between the two countries. Rehnquist May 28, 2000 William H.
