### Equity, Diversity, and Inclusion

This is for equipment like switches and routers and products for managing wi-fi networks.

### Lesson Planning Resources

Instead of focusing on meetings and activities of government, FOIA focuses on documents and information.

### Native American Advocacy (Websites)

Sacred Objects and Sacred Places: Preserving Tribal Traditions Boulder: University of Colorado, 2000 Hendry, Joy.

### Native American Advocacy (Websites)

Contact Sonya Schryer Norris at for more information. Many tribal archivists, historians, storytellers, teachers, orators, and others possess a unique understanding of their communities, their culture, and their oral and written traditions.
