Villa Noailles

We were so sorry to leave! By night the internally illuminated sphere projected light outwards enlivening the composition. Location was a nightmare if driving - it is on the top of a hill with a single narrow lane and nowhere to park. .

Villa Noailles, a modern masterpiece

The Association Villa Noailles, which was responsible for the program for relaunching the place, is engaged in the scouting and support of young artists, designers and stylists.

Villa de Noailles. Spa, Belgium

Villa Noailles: An Island Connected to an Archipelago

After the war he worked with on rebuilding and also taught architecture there. Almost a century after its creation, the villa remains a place for creativity and is one of the few cultural institutions in the French provinces to be a prominent player on the international art scene, its unique location and remarkable history having elevated it to a place of international cultural significance.

Design Parade Hyères

From year to year, this French house has hosted the artwork of a number of artists visiting the place: Giacometti, Brancusi and Mondrian. Even the bathrooms have had their fittings removed and are just bare shells. That was an incredible stage of development since Didier introduced a board of directors that was a real dream team.
