Asia

Projects range from campsite restoration and maintaining hiking trails in the wilderness to supporting the surrounding communities by assisting families in need, sharing outdoor activities with disadvantaged children or helping in local wildlife restoration centers. Instructor teams are usually co-ed but balancing skills and teaching styles is our primary staffing focus. Familiarizing yourself with the information on this Course Page is an essential part of preparing for course.

### Contact Details

**PHYSICAL PREPARATION** Have fun and enjoy the adventure of preparation while training for your course! Start out hiking just a couple of miles on hilly terrain or stairs and increase your intensity and mileage as you gain strength and endurance. Company name, address, and contact information ii. Depending on weather and group dynamics, your crew may have an opportunity to experience a high ropes course.

### Join Finnair Corporate Programme

A separate Travel Request form should be completed for each trip. **FITTING YOUR BOOTS** A proper fit is essential. Be sure to bring enough contact lens solution and be diligent in your contact lens routine.

### Course Forms Detail

We use rice, beans, tortillas, granola, oatmeal, crackers, salami, cheese, peanut butter, jelly, tuna fish, pasta and trail mixes. The rope is attached to the climber by means of a harness.
