DVIDS

They were intended to conclude by 19 February. The so-called , leaked in September 1986, was a draft document that focused on the political difficulties facing Serbs in Yugoslavia, pointing to Tito's deliberate hobbling of Serbia's power and the difficulties faced by Serbs outside.

266th Finance Command

Unfortunate incidents included the accidental bombing of a refugee convoy in Kosovo and a civilian train in Serbia. Certainly much more difficult than launching a bombing campaign.

U.S. GAO

The Certified Defense Financial Manager credential is the sign of distinction that sets you apart from your peers. The Army and Air Force do not have detailed migration plans for their key accounting systems. Joint funding arrangements typically lead to the setting-up of a management organisation within a NATO agency.

Former Bosnian Serb leaders Karadzic and Mladic, however, remain at large. This attitude persists to the present day.

Kosovo: The Financial Management of Military Operations

This report makes a number of detailed recommendations covering the reporting of costs to Parliament, collecting better data on equipment reliability and supply chain performance, and strengthening financial management, as well as addressing shortfalls in capability for such deployments. Return of all refugees, and access for aid organizations.
