## **Pride, Prejudice, and Politics : Roosevelt Versus Recovery, 1933**

He is also the author of *To Free a People: American Jewish Leaders and the Jewish Problem in Europe, 1890-1914* Greenwood Press, 1982 and *The Politics of American Individualism: Herbert Hoover in Transition, 1918-1921* Greenwood Press, 1975. Unfortunately, Praeger's editions are very expensive.

## **Pride, Prejudice, and Politics: Roosevelt Versus Recovery, 1933**

Roosevelt was a Progressive who had served in the Wilson administration. In developing his arguments, author Gary Dean Best focuses on the fact that the depression continued through eight years of the Roosevelt administration, despite unprecedented intervention by the federal government in the nation's economic life.

## **Pride, Prejudice, and Politics : Roosevelt Versus Recovery, 1933**

Best provides one of the most careful and objective studies published to date on the actual effects of Roosevelt's policies and programs on American business operations and psychology.

## **Pride, Prejudice, and Politics : Roosevelt Versus Recovery, 1933**

Amity Shlaes *The Forgotten Man* 2007 was a milestone because of its popularity.

## **Pride, Prejudice, and Politics: Roosevelt Versus Recovery, 1933**

One investment banker testifying before Congress in 1935 on a particularly odious bill asked: Is it the wish of the Government in Washington to advance recovery; to ease those who are seeing their income and their savings shrinking, to quiet fears that retard all progress, to do the utmost possible to help us out of this depression? If the former, this Bill seems a mistake; if the latter - and all the indications of this Bill suggest it - then it is a success. He documents how Roosevelt responded in 1938 with a anti-trust pogrom that certainly did not help business recovery.

### **Pride, Prejudice, and Politics: Roosevelt Versus Recovery, 1933**

After his thorough demolition job, there's little left of New Deal pretensions. I met him a few times at local watering holes after he had retired from UHH. His work is an important counterweight to conventional evaluations of Roosevelt and the New Deal and should be required reading in any course dealing with the history and politics of the 1930s.

### **Pride, prejudice, and politics : Roosevelt versus recovery, 1933**

What the suffering of millions of Americans couldn't do, the loss of some seats in Congress did. .

### **Military History Book Reviews: Review: Pride, Prejudice and Politics: Roosevelt versus Recovery, 1933**

In developing his arguments, author Gary Dean Best focuses on the fact that the depression continued through eight years of the Roosevelt administration, despite unprecedented intervention by the federal government in the nation's economic life. Best provides one of the most careful and objective studies published to date on the actual effects of Roosevelt's policies and programs on American business operations and psychology.
