Mikhail's three younger children from a second marriage remained in Russia and have been able to visit their father periodically.

гужтранспорт — Вікісловник

Mikhail himself hasn't publicly speculated, but an op-ed he wrote for The New York Times. We all haven't seen him in a while. Mikhail was led out in handcuffs and taken onto a different plane and flown to Moscow.

It may help that he looks so much like his father, with dark, boyish features and close-cropped hair. While Pavel has a life in New York with Enertiv and a wife and young child, it's clear much of his attention remains back in Russia. Really, the only thing we hadn't got implemented by 2003 was the Sarbenes Oxley implementation and that was the next step.
