Hell, they pretty much do everything better: They eat better, they drink better and they definitely dress better.

Black Women Who Changed The Course of History

They have been banished from my wardrobe so long I had almost forgotten there was such an article.

I went to a party at a high class brothel. Here's what happened.

Not what you were expecting, right? Jerry Buss, was often seen with a cadre of women half his age by his side didn't change that impression, either. With Grey's, she's the first Black woman to create and produce a top 10 network series.
