Death is seen as a transformation, rather than a private loss.

Burial

As the bodies were so fused together with the metal of the tank that they could not be separately identified, they were buried in one grave along with parts of the tank. An example of a cross-road execution-ground was the famous in , which stood on the spot where the to and beyond met the Roman road heading west out of London. Later ancient and royalty, from approximately 3500 B.

The campaign opened in , the first attempts being made by Brunetti, at , in 1873.

Cremation and Other Modes of Sepulture (Classic Reprint) : Williams, R. E.: sdk.mavlink.io.au: Books

This gradually changed as the upper and middle class started holding funerals in the mortuaries of hospitals.

Burial

To Live Forever: Egyptian Treasure from the Brooklyn Museum.

Cremation

The memories of loved ones will be immortalized through the concept of a deceased person having a medium trees that will continue to live and grow. When the Word became flesh, God uniquely hallowed human life and bodily existence forever.
