### Medical Examination FAQs

See Preemployment Questions and Medical Examinations, supra note 2, at 17, 8 FEP at 405:7199. May an employer make disability-related inquiries and require medical examinations that are required or necessitated by another federal law or regulation? May an employer require periodic updates when an employee is on extended leave because of a medical condition? It does not focus on what actions an employer may take based on what it learns in response to such an inquiry or after it receives the result of a medical examination. However, moderate to severe degree of acne nodulocystic type with or without keloidal scarring or involving the back will be considered unfit.

### DOT Medical Exam and Commercial Motor Vehicle Certification

Any residual deformity of spine or compression of a vertebra will be cause for rejection. In general, genetic information is information about an individual's genetic tests, information about the genetic tests of an individual's family members, or information about the occurrence of a disease, medical condition, or disorder in family members of the individual.

### Chapter 3

In its guidance on Preemployment Questions and Medical Examinations, the Commission explained in detail what is and is not a disability-related inquiry. This information often was used to exclude and otherwise discriminate against individuals with disabilities -- particularly nonvisible disabilities, such as diabetes, epilepsy, heart disease, cancer, and mental illness -- despite their ability to perform the job.

Sally's supervisor, therefore, may make disability-related inquiries e.

### IAF

In this situation, however, the employer is entitled to obtain only a note simply stating that the employee can safely perform the test or, alternatively, an explanation of the reasons why the employee cannot perform the test. For women candidates, minimum acceptable height is 152 cms. Each case is to be judged on individual merits.

**Enforcement Guidance on Disability**

Where the employee repeatedly has tested negative for alcohol, continued testing may not be job-related and consistent with business necessity because the employer no longer may have a reasonable belief that the employee will pose a direct threat.
