The Crocodile has been part of the Märklin model railroading program, in gauges 1, O, HO, and Z, since 1933 and the many Märklin models alone have immortalized this famous locomotive. The Office du Tourisme du Canton de Vaud, or , is another valuable resource. A Short Summary and Acknowledgements ETS, Deák, Zanka, Merkur, and Elettren all produce 3-rail, ready-to-run, 0 gauge tinplate trains.
