Sudan Overview

Females lost more DALYs than males in all age groups, which altered the picture displayed by the incidence rates alone. The cease-fire was just hours later violated in the Northern part of the country with both parties accusing the other of the violation. School grant committees were formed at the state level, coordinators were selected, and focal persons were assigned.

Research and reports

One of these initiatives is South Sudan Youth Sports Association SSYSA. Armed Conflicts Report — Sudan. Sudan is still one of the largest countries in Africa even after the split of the Northern and Southern parts.

South Sudan Overview

Interestingly the two main protagonists, Kiir and Machar, were not included in the list of six individuals that were sanctioned.

Research and reports

In early February 2013, UNHCR started distributing relief items outside the UN base in Malakal, South Sudan, which was expected to reach 10,000 people. In August 2015, after journalist Peter Moi was killed in a targeted attack, being the seventh journalist killed during the year, South Sudanese journalists held a 24-hour news blackout.
