In the margins or the mainstream? Future directions and innovations in providing inclusive accommodation and support for older LGBTI adults

So how can social enterprises be helped to create and manage sustainable social benefit? Retrieved May 25, 2005, from Christie, J. Private action, public benefit: A review of charities and the wider not-forprofit sector. Fight or Fright: Voluntary Services in 2015.

Some challenges in social enterprise governance

The majority of the papers combine theoretical contributions with empirically-based investigations, and it is pleasing that there is a significant international dimension to the contributions. Click on this anytime to return to the contents.
