Un jour, elle prend son courage à deux mains et décide de ne plus être une victime. Je vais te mettre au parfum. This is a simple and successful attempt to explain how a little man victimized by a corrupt system can finally take action.

Par le feu by Tahar Ben Jelloun

How did Jungmann seek to justify his departure from what the Council of Trent had laid down as de fide teaching on the Mass? Et là se trouve le pouvoir de ce court récit. Although the writer has taken liberty with some of the facts of the real Mohamed Bouazizi's life, this short piece is a cultural eye-opener to those of interested in understanding the social inequality that ignited the Tunisian revolution and the wave of uprisings that took place in the Arab League countries between Dec.

Fahrenheit 451 de Ray Bradbury : Beatty explique pourquoi il faut brûler les livres

Basically, the book starts with a whole slew of disorganized thoughts that I suppose are relevant, but why not let the story tell them first? Le livre décrit de façon sobre et terre à terre la vie misérable et les méchancetés humaines qui amène un homme à s'immoler.

Un homme s'immole par le feu devant les grilles du palais présidentiel

He takes a full minute to settle himself in and think back for what he wanted to say. Surely it is the art of reading texts in such a way that they become not just votes cast in favour of or against our current positions positions taken up long ago , but say something to us that we in our time have not considered at all or not closely enough about reality itself.
