Even after the liberation of the colonies, most of them kept their newfound Christian beliefs and approximately 49% of the people in Africa now identify as Christians.

## 11 Enchanting Mythological Figures Across Africa

Judaism, Christianity, and Islam all spread through sections of the continent one after another during the last couple of millennia. The mother hippo would come with the baby to suckle from its mother every night. She controls rainbows, agribusiness, harvests, rain, water and earth.

## All Of The African Goddess Names And Their Mythologies by Kidadl

If you are looking for some Egyptian Goddess names, we have put together this list full of useful information for you.

## 11 Enchanting Mythological Figures Across Africa

However, from this ground grows another monster of epic proportions in Madagascar: The Human-Eating Tree. Not quite done, he belched again and nine animals and some humans appeared.

## African Mythology

In some cases, she is portrayed with wings on each arm or as a lady with an ostrich quill on her head. If the world ever wakes up and finds all the wisdom or gold gone, it might just be Anansi who took it. A famous Goddess of Africa.
