**Yoram Ettinger: US**

The Eisenhower Doctrine, modeled on the Truman Doctrine of March 12, 1947, which served so well in assistance to Greece and Turkey, was more the outline of a policy than a well-developed policy itself and did not prove as successful as its predecessor.

**List of military alliances**

Such a retreat would downgrade Israel from a strategic asset to a strategic liability.

**Yoram Ettinger: US**

Moreover, no treaty should be perceived as automatic US military involvement on behalf of Israel. This column was originally published at. Incorporating such a pact into a regional framework could, as noted, add to its advantages.

**US**

Yoram Ettinger By Ambassador ret. North Atlantic Treaty only covers European and North American countries. American defense commitments... are generally characterized by vagueness, non-specificity and the explicit denial of any automatic obligation to use force... to keep the US options open and its absolute discretion intact in deciding whether, and how, to redeem its promise...
