**gender equality Archives**

E, the President will assert himself on this matter and provide leadership that will move this Country forward and entrench Constitutionalism.

**gender equality Archives**

The Gender Bill may merely be the means for elements within the government to upend the constitutional order in Kenya. Although it will take considerable effort to change repressive and patriarchal social norms amongst the present generation of patriarchal men, future generations can be shaped at an early age.

**search**

However, Raila's proposal that the BBI sort out the two-thirds issue could cause cracks in the force pushing for constitutional amendment, after some women objected to it. Lucy Nkatha participating in a learning forum on gender based violence in Nairobi. Teen mum trekking from school to their home in Ganze, Kilifi County.

Honour crimes are just one of the topics addressed in the study. On inclusive leadership, the Kenya constitution was noted to have served the gender agenda impressively well.

**Gender equality should be the new social norm**

This precarious situation prevails, even as it appears the advisory by Chief Justice David Maraga to dissolve Parliament for failing to enact the Gender Bill has provided fresh impetus to the Building Bridges Initiative. It is also associated with improved economic outcomes. Lola Akinmade Åkerström explores some of the global initiatives that are empowering women, and asks what travelers can also do to help.
