The Crown was to fill up vacancies and to nominate future commissioners. Fox supported the Boston port bill as essential if law and order were to be maintained in America, but he warned the House that no plan for America would do any good unless it included the repeal of the tea duty. Thus almost his first political act was to stand with the administration against John Wilkes, the popular symbol of liberty.

## The Early History of Charles James Fox

Pitt, like his father, became celebrated though less successful wartime leader.

## History of the Early Part of the Reign of James the Second First Edition

The Whigs played a central role in the of 1688 and were the standing enemies of the , who were Roman Catholic. He was also suffering from a diseased liver and multiple gallstones. The opposition Whigs were split by the onset of the.

## The early history of Charles James Fox : Trevelyan, George Otto, Sir, 1838

With a majority in the Commons such as no minister had possessed since North at the height of his power, he lost the game through his lack of judgment, his failure to sense public reaction to his policy. They made Lord Grey prime minister 1830—1834 and the championed by Grey became their signature measure. For at least the next four years Fox would govern India and control the patronage of the Company.
