## Competitive Processes in Government Contracting: The FAR Part 15 Process Model and Process Inefficiency

Antrak workers responded enthusiastically, and the training enabled frank dialogue between Antrak staff and trainers with disabilities. Loan means a Federal loan or loan guarantee received or administered by a non-Federal entity, except as used in the definition of Program income in § 200. A provision in the IFB that explains how the calculation of bids will be made will avoid confusion at the time of bid opening.

## Federal :: Guidance for Grants and Agreements

If a paratransit ride takes significantly longer than the same ride on the fixed-route bus or train—including the additional time that would be needed on the fixed-route system to get to and wait for the bus or train, and to go from the final bus or train stop to the destination—that may be too long. The AIP funding structure contains certain funding percentages or amounts that represent a minimum requirement for dedicated AIP funding.

## The Current State of Transportation for People with Disabilities in the United States

Finally, OMB is proposing revisions to 2 CFR to clarify areas of misinterpretation. Section 905 relating to procurement of design professional services.

## Competitive Processes in Government Contracting: The FAR Part 15 Process Model and Process Inefficiency

Do not appear overly generous or rush to make concessions. WAAS corrects for GPS signal errors caused by ionospheric disturbances, timing,

and satellite orbit errors, and it provides vital integrity information regarding the health of each GPS satellite. As a result, program recipients in areas with relatively lower needs and greater wealth may enjoy a higher level of services than is available in harder pressed areas, or the wealthier areas can provide the same level of services at lower tax rates than harder pressed areas.

#### **Competitive Processes in Government Contracting: The FAR Part 15 Process Model and Process Inefficiency**

If the Contractor is required to furnish cost, funding, or performance reports, the Contracting Officer or an authorized representative of the Contracting Officer shall have the right to examine and audit the supporting records and materials, for the purpose of evaluating 1 the effectiveness of the Contractor's policies and procedures to produce data compatible with the objectives of these reports and 2 the data reported.
