**Book illustration: engraving and etching**

Published by the Society of Antiquaries of London in 1729.

**Plate 1.35: Engravings of Colchester Castle (1 of 2)**

Current location: Tutbury, Staffordshire, UK. We ruled out using mild acids like lemon juice , as well as abrasive scrubbers that clean quickly but can also scratch copper is surprisingly soft, about 2. We were formed in 1904 and serve as a charitable organization, giving out hundreds of thousands of dollars in college scholarships to area students as well as promoting the game of golf.

**USGS Engravings Offered to the Public**

Rapidly following them the Nuremburg school in Germany Martin Schongauer, Durer, Van Mechens took engraving to new heights of technical perfection. Lake 3 plain 2018-08-29T17:52:21+00:00 Crystal B.

**Plate 1.35: Engravings of Colchester Castle (1 of 2)**

Engraving by George Vertue after a drawing originally produced for a survey of the properties of the Duchy of Lancaster conducted by the Chancellor of the Duchy, Ambrose Cave, in 1561.

**USGS Engravings Offered to the Public**

Almost all of these prints have been colored by dealers in order to sell them. Although much reduced in size it can still be seen that the print has a 'rich' warm feel.

**[BLAKE, WILLIAM]. KEYNES, GEOFFREY. A Bibliography of William Blake. New York: Grolier Club, 1921. LIMITED EDITION, one of 250 copies**

I would love to be able to restore ours as well, plus once they are restored I would like to try to scan them to share them digitally as well, especially since next year our Grand Lodge is celebrating our 175th year.

**[BLAKE, WILLIAM]. KEYNES, GEOFFREY. A Bibliography of William Blake. New York: Grolier Club, 1921. LIMITED EDITION, one of 250 copies**

When they recently decided not to continue storing them, they made them available to public and nonprofit institutions, including the Borchert Map Library. Lines were engraved into each plate, with separate plates for topographic features, water features, and man-made features for a particular area of Minnesota.

#### **Antique Prints Blog: Steel engravings: book illustrations**

Some of the prints have a genre theme, but the ones which are particularly popular today tend to be the images of events such as battle scenes , portraits such as images of Presidents and scenes of particular locations such as the widely popular views by William Bartlett.
