Time stands still at Thousand Island Park

While San Andrés has long been overtaken by modern package holidays from the mainland, Providencia feels more like the Caribbean did 70 years ago.

Touring Ischia, the Italian Island Where Time (Mostly) Stands Still

Of course it all depends on what you came to this place for. The ice cream shop only opens just past noon. .

The island where time stands still

Mackinac Island's quaintest little inn since 1900.

McLean, Texas

Speaking of Jamaica the island is teeming with super friendly Jamaicans, who make up a large part of hotel and restaurant service workers as well as the overall island workforce. Back at the port, locals were fishing off the pier — using special rods with multiple hooks.

Honeymoon in Iran

Hidden away from the large crowds that one would normally imagine on a typical Greek Island, Folegandros is largely uninhabited and certainly unnoticed by most tourists. As we neared the beach, a tiny rowboat headed towards us.

FAILAKA ISLAND: WHERE TIME STANDS STILL

One of the , Ocean City is known for its turn-of-the century boardwalk, which offers 3 miles of old-fashioned fun, including food, games, and shopping. Our Sunset Laamu Water Villas offer prime placement on the resort to experience spectacular sunsets which we are regularly blessed with and do hope that on your next visit cloud formation may be more favourable to observe this.

Touring Ischia, the Italian Island Where Time (Mostly) Stands Still

All were recaptured and seemed glad to return to prison.
