Triangle of China, Pakistan, Iran & the OBOR are potently dangerous for world

But while Mao stressed the first two problems, Liu discounted them and stressed subjectivism as the main problem. She was also greeted by devices affixed to the entrance of every supermarket, mall, and hospital. His death also marked the end of the Cultural Revolution.

The Plot Behind China's Suppression of Uyghurs inSuppression

In late 1951 and early 1952, three major political campaigns brought the revolutionary essence of the CCP home to key urban groups. But much has changed in China since the 90s.

China

The Zhengzhou incident is one of the first manifestations of public nostalgia for the Mao era reported by the international press, although it is unclear whether these feelings are widespread. It was 2011, and she was living in Hotan, an oasis town in Xinjiang, in northwest China. But now the word from Beijing was that only a few -- a tiny, tiny few party leaders were really bad.

China's Security Chief Optimistic Defeating the USA

China has a history of mishandling outbreaks, including SARS in 2002 and 2003.
