Indices in: Ibn Taymiyya on Reason and Revelation

But those in whose hearts is perversity follow the part thereof that is mutashābih, seeking discord and searching for its ta'wīl; and none knows its ta'wīl save God.

Khutbah al

In the name of Allah, the Gracious, the Merciful When the preacher khatib begins his sermon, he should say the following words in Arabic, along with the English translation if the audience primarily speaks English.
