BBA Course Syllabus

It is extremely gratifying for us to note that the book has received wide acceptance over the years amongst students of economic development at Honours and Post Graduate level, research scholars and teachers engaged in teaching this paper all over the country and also by a large number of candidates appearing in various university examination. Third generation reform is the bottom-up approach and not the trickle-down approach that was pursued in the first and second phase of reforms.

A short history of Indian economy 1947

Mahalanobis went to Cambridge University England for his higher studies.

Foreign Trade Policy in India

Thus generation of marketable surplus always remained as the focus of the planning for agriculture. History of economic growth in some countries reveals that planning has been painfully evolved and its growth or change is attributed to certain factors which have facilitated the growth of planned economy in an increasing number of countries. Its objectives were: a Increase in the national income of over 5% per annum and at the same time ensure a pattern of investment that would sustain this rate of growth during subsequent plan periods.

New economic policy of india

The death of Nehru and Shastri in quick succession had caused political instability and triggered jockeying for power within the Congress.

Economic policy Blog

There can be no difference of opinion regarding the desirability of reducing such inequalities, particularly because they also lead to inequality of economic opportunities. Oman, Qatar and the UAE, which used the Reserve Bank of India-issued Gulf rupee, had to come up with their own currencies. This plan increased the scope of industrialization by increasing the production of iron and steel, heavy chemicals, development of heavy engineering and machine building industries.

Economic development and political change in India since Independence

It would take 20 years for a similar revolution to disrupt aviation—courtesy Air Deccan. Self-reliance in this regard came as a natural objective of the successive Five Year Plans.

Economic policy Blog

For more than five decades EPW has remained a unique forum that week after week has brought together academics, researchers, policy makers, independent thinkers, members of non-governmental organisations and political activists for debates straddling economics, politics, sociology, culture, the environment and numerous other disciplines.
