## Going to the sources : a guide to historical research and writing

Focuses on the basics of historians? Where Presnell gets overly technical, Brundage writes from a down-to-earth perspective. My main issue with the book is as other reviewers have mentioned, a lot of the information is somewhat outdated by today's digital standards. Where Presnell gets overly technical, Brundage writes from a down-to-earth perspective.

## Going to the sources : a guide to historical research and writing

Brundage's book is not nearly as detailed as Presnell's - however, its written from a far more approachable perspective.

## Going to the sources : a guide to historical research and writing

The publisher should issue a corrected edition ASAP.

**Going to the Sources: A Guide to Historical Research and Writing: Brundage, Anthony: 9781119262749: sdk.mavlink.io: Books**

Also very good on sources, etc.

## Going to the sources : a guide to historical research and writing

Published Chichester, West Sussex, UK : Wiley Blackwell, 2013. Very accessible format for the under-graduate student, but may not have enough information to be helpful for the graduate student.

## Historical Methodologies

My main issue with the book is as other reviewers have mentioned, a lot of the information is somewhat outdated by today's digital standards.

### **Going to the sources : a guide to historical research and writing**

Research Methods for History encourages those researching the past to think creatively about the wide range of methods currently in use, to understand how these methods are used and what historical insights they can provide. Brundage history, California State Polytechnic U.

### **Historical Methodologies**

Great resources for lit reviews, humanities research at large. This new edition addresses the shifting nature of historical study over the last twenty years. .
