### Presentation on woman education

At the age of eighteen Beecher took a job as a teacher at a private girls' school in New London, Connecticut. Linked with the Race Relations Commission, created a year later, in 1976 through the Race Relations Act, questions of sex or race discrimination in education did move up the policy agenda.

### Legislation and Policy

Most school districts are operated by school boards, which are composed of elected officials. It's difficult to imagine a time in history when education was a privilege, not a right, a time when only the children of the wealthy received an education. International, regional and sub-regional cooperation towards the empowerment of women will continue to be encouraged through sharing of experiences, exchange of ideas and technology, networking with institutions and organizations and through bilateral and multi-lateral partnerships.
