Lastly, I have limited the bibliography to books, rather than also including articles, etc.

Biblical Theology Definition and Meaning

To Abram, later called Abraham, the Hebrew people trace their ancestry.

WEA Theological Resource Library, Version 3

It is akin to their experience of learning about the Trinity—a formula they repeat, but not something that they believe ultimately transforms their lives or their ministerial praxis.

WE Intergenerational Curriculum : Faith Alive Christian Resources

In that wider view of Biblical theology, the term exegetical theology has been used to define and include the group of sciences already referred to. It is in such spaces that one sees both the evidence of sin as well as the experience of grace come full circle. It also includes the relationship of Christianity to other world faiths.
