**American Culture: Individualism Essay**

When you do this, you discover that  
atheism is nothing new, but its meaning has  
changed. It deals with every aspect of  
social life and morality. No new, happier

man was born from the American way of life.

## Locke and Happiness

They want to work, worship, raise a family, and participate in public affairs without being treated as insolent upstarts in their own country.

## Locke and Happiness

The United States to a large degree inherited this profound English conservatism. American constitutionalism established a nonpartisan form of government that was genuinely unprecedented. Individualism also fuels hyper-consumerism in the U.

“Anti

This is what Americanism always offered, and this is what Catholics finally obtained. Hence, the enemy of Americanism hears himself categorized as being simultaneously romantic, naïve, and cynical: an unmotivated, lazy, misanthropic wretch, eager to demoralize simple, virtuous, commonsensical people, and probably a totalitarian in the bargain. Obviously, those foreigners who have bypassed the regular process for entering our country, and probably will never assimilate to our language and culture, are—politically as well as legally—aliens.

“Anti

The nihilistic, postmodern world in which we live today bears zero causal relationship to the principles of the American Founding.
