**Investigation of the Tozimoran Creek tin placer deposits, Fort Gibbon District, Alaska / by Bruce I. Thomas and W.S. Wright**

Originally it was called Auk for the Indians who lived there but after the discovery of gold it was changed to Piltown. Oliver Wolfe's black eyes ceased to stare contempt; perhaps some tender memory of their boyhood days together was at work in his brain. A Becker-Hopkins single bucket dredge was tried out a number of years ago near Talkeetna without success.
