Tales Told Again by Walter De la Mare

They ate their bread and treacle and walked and walked until they were worn out and utterly lost. .

Old Tales Told Again

In due time they sent out. I don't think they're very kid friendly in the way they are written either the language is hard to understand--lots of unique phrases of saying things; almost in an old English sort of way.

Told Again

He would rub his hands together with joy to lend a poor neighbour. His was not a big farm; he had only a small flock of sheep, a few cows, and not much plough or meadow land.

Told Again: Old Tales Told Again on JSTOR

One thing he delighted in, though, and that was to think and dream of what he would do in the future: of how he would go off on his travels and see the. Watson, this volume also presents a splendid introduction by Philip Pullman, the contemporary master of fantasy literature.
