Think you will appreciate what I am saying.

Freedom and necessity : an introduction to the study of society : Robinson, Joan, 1903

I first read Freedom and Necessity at the British Consulate Library in a country I lived in as a political refugee.

Freedom and Necessity: Introduction to the Study of Society : Robinson, Joan: Amazon.sg: Books

Originally published in 1970, this book examines the origins of social organizations, the development of Robinson Crusoe economies and the conception of property or rightful ownership, as well as the origins of agriculture, race and class.

Freedom and Necessity: Introduction to the Study of Society : Robinson, Joan: Amazon.sg: Books

Robinson's voluminous impact on the development of economics is huge, and one appreciates it with every one of her writings, and other peoples' writings about her. The author tells us about how societies began and how they have evolved over time. It is common for me to be stopped by a great read and this one pulled me in.

I knew little English then, much less economics, and I was impressed nonetheless. In plaats daarvan houdt ons systeem rekening met zaken als hoe recent een recensie is en of de recensent het item op Amazon heeft gekocht.
