The only thing that isn't clear is where to put the Groat tail light if you have fenders.

Original Farmall Cub and Cub Cadet by Kenneth Updike

IH built the Farmall Cub and Cub Cadets in Louisville, KY and it was more the just coincidence that they had a lot of the same engineering features in common! All the specs and options for all tractors. The detailed text includes hard-to-find information on the development and design of each model, with all the relevant information on implements, improvements, serial numbers, dates, codes, engines and carburetors.
