Why Did The West Dominate History For So Long?

The war also resulted in a humanitarian crisis. Between 10,000 — 20,000 Sudanese fighters were killed. Since the creation of Israel, the Middle East and its people have been perceived as evil in the West's political culture; they are among the main negative personages in the West's political culture.

Staff View: Political systems of the Middle East in the 20th century /

It was considered the largest oil field in the world until the discovery of the in Saudi Arabia in 1948. As the Suez Canal had turned into a major artery of British global trade with India, Indonesia and China, controlling Egypt and the Canal itself became a major strategic consideration of British foreign and Middle Eastern policy. These arrests follow the first major clash between the Islamists and the government,

Bush Administration: 2001—2008 After deriding operations involving the U. According to a UN report, the Taliban were responsible for 76% of civilian casualties in Afghanistan in 2009. Bourgeois civil society never formed.

Timeline of the Middle East in the 20th Century

Under this framework, Iran agreed tentatively to accept restrictions on its nuclear program, all of which would last for at least a decade and some longer, and to submit to an increased intensity of international inspections. By the end of February 2012, rulers had been forced from power and protests occurred across the region.
