How the American Women Codebreakers of WWII Helped Win the War

Former comfort woman Yong Soo Lee next to a picture of comfort girls.

British Army during the Second World War

So can this obsession — addiction, even — to the second world war movie ever run its course? Detroit: Macmillan Reference USA, 2005.

D

Those women with children at home pooled together in their efforts to raise their families.

Rosie the Riveter

Some were so upset that they fled the camp, forgoing their passage to America. Didier of France also moved to New York in 1942.

12 World War II Diaries You Can Read

The Axis forces made a new attempt to break through to Cairo in August, in the but were stopped after the British fought a purely defensive battle. For some, World War II represented a major turning point for women as they eagerly supported the war effort, but other historians emphasize that the changes were temporary and that immediately after the war was over, women were expected to return to traditional roles of wives and mothers. The swift increase in the number of British tank formations created great demand for information and in 1943, MTP 41 replaced ATI 3 but technological and tactical change rapidly made written instructions obsolete, which rebounded on forces being trained in Britain.
