James Joyce

The novel *Ulysses*, which he began writing in 1914, is loosely based on the epic poem by .

James Joyce dies

His parents, John and Mary Jane Murray Joyce, were both musically talented, a trait which was passed along to their son.

Biography of James Joyce, Irish Novelist

Born in Dublin in 1882, Joyce grew up in poor surroundings and was educated at Jesuit-run schools and the University College in Dublin. As Joyce made so many changes to his manuscript, and it is believed printers some of whom could not understand English made mistaken changes, various versions of the novel exist. It was banned in the United States from 1922 until 1933.

Biography of James Joyce, Irish Novelist

Soon after, the American *Little Review* began to publish episodes from *Ulysses*, a novel that Joyce began in 1915. Joyce deliberately removed the apostrophe from the title, as he intended a pun.

James Joyce (Author of *Dubliners*)

In 1902, he went to Paris but returned to Dublin in the next year when his mother fell ill. Part of the innovation of *Ulysses* is that each chapter or episode is written in a different style as the chapters were not only unmarked but unnamed, the change in presentation is what would alert the reader that a new chapter had begun. NORA BARNACLE GHOSTED HIM FOR THEIR PLANNED FIRST DATE.

James Joyce's Life

His father was John Stanislaus Joyce, an impoverished gentleman, who had failed in a distillery business and tried all kinds of other professions, including politics and tax collecting.
