Information that is entered in one application carries over into other PeopleSoft modules. Ensure spending compliance Increase cost savings and ensure compliance by directing purchases to approved suppliers and leverage negotiated pricing.

How to as a Texas Vendor On The CMBL

Maintaining healthy relationships with your suppliers helps keep the supply chain agile and able to absorb disruptions without grinding completely to a halt. Complete visibility, along with recommendations for suppliers and procurement leaders, are some of the prominent benefits. The market has seen a massive influx of cloud-based procure systems due to the many advantages they confer.

Purchasing Programs

Integrations with hold-over systems like ERP let users keep their old workflows and further optimize them for increased efficiency. We also manage and monitor thousands of state contracts to ensure compliance, and provide training for state purchasers and contract managers.

Procurement Cloud

Search for and view invoices as needed.
