Flagship Report: World Employment and Social Outlook: Trends 2019

The growing reliance on technology and the increasing demand for complex medical and scientific information will create job opportunities for technical writers. Feb 11, 2021 Growing, managing, and evolving your business has a learning curve.

OECD Employment Outlook 2019

Similar to advertising, marketing jobs can pay well. Each business day, The Economics Daily presents fresh economic information in charts and maps, highlights intriguing BLS data that you might otherwise have missed, focuses on one or two specific points, provides links to further information at the bottom of each story and gives you a way to send BLS your feedback about The Economics Daily. Most magazines have an in-house advertising department that handles all ad accounts and ad copy, and oversees the final run of advertisements.
