Religions typically include symbols that are worn or painted or embedded on skin. A person will, for example, believe they are valuable if they can consistently affect other people emotionally, for some this will be positively, for some it can be negatively, but doing it in positive ways will be more consistent since that will always be welcomed.

The foundations of Satanic belief

People can want to follow religious texts or to make the most functional society. We know how difficult these interactions are.

The Agent of Persuasion God the Holy Spirit is the prime agent of persuasion in spiritual matters John 16:9-11. I would also add our moral intuitive sense of what is morally right and wrong This is an important article. It could be that some other evidence comes to his attention that requires forming a new belief.

Balfour, A.J.

They expect to see him and I really see him.

Foundation of Religious Belief

One great trouble comes from teaching us to believe in an overruling providence in the shape of a God who will answer our desires without our making any effort.
