## The Fabulous Valley by Dennis Wheatley

A mythical valley of diamonds deep in the Kalahari. Throw in the villainous Philbeach and his minions, the beautiful Sari and her brother, a whole adventure brims with danger, romance, family and humour.

## Valley of Fire State Park

His writing is very descriptive and in many works he manages to introduce his characters into real events while meeting real people. I usually just get a gel mani and I was in and out which is ideal. Definitely a read I enjoyed and giving credit where credit is due, 5 stars to Wheatley for keeping me entertained!!!! Our major project is the annual Charity Car Show held the end of July each year at Riverside Park in Grants Pass, Southern Oregon.
