ABSITE Review Course

Needless to say, as we get older it is very difficult to sit and read books to prepare for exams. As my practice has become more specialized, the need for a comprehensive review was even more important.

ABS In

I certainly would use it again. The ABS, along with the Vascular Surgery Board, Pediatric Surgery Board, Complex General Surgical Oncology Board and Trauma, Burns and Surgical Critical Care Board, have made the difficult decision to postpone the administration of the 2020 Vascular Surgery QE, Pediatric Surgery QE, Complex General Surgical Oncology QE and Surgical Critical Care CE. All questions were reviewed and found to be objective and supported by appropriate review of the literature and align with evidence-based research.

ABSITE Review Course

We are preparing to offer a combination of virtual and recorded materials for all currently scheduled LIVE 2020 courses should it be necessary.

General Surgery Examination and Board Review on Apple Books

I did review the practice tests and questions prior, but, after the course, I did nothing else what so ever.

Tests and visits before surgery: MedlinePlus Medical Encyclopedia

You also get detailed evidenced-based answer explanations and references to facilitate more in-depth study.

Tips for surgery EOR

Once a session has concluded, you will not be able to revisit those questions. Worth the money and time.
