New York and Slavery: Time to Teach the Truth by Alan J. Singer

Some readers may prefer the author less involved and or judgmental, but this is neither his style nor way of thinking. William Loren Katz is the author of Black Indians and forty other history books.

Review of "New York and Slavery: Time To Teach the Truth" by William Loren Katz / Opinions / In Motion Magazine

Blending historical narrative with ideas for engaging young people as historians and thinkers, Alan J. Singer provides useful strategies to help teachers navigate racially charged curriculum and discussions, making this an invaluable resource.

New York and Slavery: Time To Teach the Truth

Smith's simple truth, substantiated by Singer's statistics and documentation, has yet to find its niche in our school social studies curricula, in teacher college courses, and on Regents examinations. New York and Slavery summons a host of reliable witnesses. Hopefully it will encourage educators in other states to teach the truth about slavery.

sdk.mavlink.io: New York and Slavery: Time to Teach the Truth (9780791475102): Singer, Alan J.: Books

In their struggle against those whose wealth and influence made the city a leading slave trading port, they suffered many defeats and humiliations. How else, Singer's book seems to ask, are we ever going to solve our racial nightmare, educate our children for a multicultural world, and provide future citizens with the knowledge they need? In and Allied Human Services, he is a professor of secondary education and the director of social studies education.
