Travels in the Panjab, Afghanistan and Turkistan draws remarkable parallels between the Afghanistan and Uzbekistan of the early 19th century and today. Upon his return to India, Lal must certainly have submitted a detailed report of the affairs in Kabul but he does not permit his readers even a peek into that. Learning of the advantages and of the new opportunities opening up after an English education, the Rae, through the intermediation of Mr.

We quitted Peshawer this morning, under the charge of a respectable, but vain and self-sufficient individual, who, however, did not join us till the third day.

Travels in the Panjab, Afghanistan, Turkistan, to Balk, Bokhara, and Herat ...

Travels in the Panjab, Afghanistan and Turkistan draws remarkable parallels between the Afghanistan and Uzbekistan of the early 19th century and today. As the narrative progresses, one realises that Lal was a person of gumption and diplomatic skill with a sharp understanding of human nature.

The main current is here more rapid than the Indus; and but for the opportune arrival of a man, who prevented my putting my intention into

execution, I should inevitably have been drowned. Matti is situated on a beautiful spot, commanding a view of the river, and contains many mulberry-trees.
