### Whose Responsibility Is It? The Role of Faculty in Student Success

Building effective teams of leaders -- rather than just one successor -- from which to choose skilled replacements is a prudent approach. In comparison, the number of part-time faculty increased by 72 percent from 444,200 to 762,400 between 1999 and 2011 and then decreased by 7 percent from 762,400 to 710,500 between 2011 and 2018.

### Faculty Development In Higher Education

Each of these roles enables faculty members to generate and disseminate knowledge to peers, students, and external audiences.

### 3 Trends in Higher Education Faculty Development

Also, colleges and universities increasingly have focused on faculty research as a way to increase their institutional profiles and prestige.

### Contingent Faculty Positions

Then a new faculty member arrived for a consultation on ways to assess student learning in the art studio—with her four-month-old son in her arms.
