### Mysteria (2011)

The Seven Arts encompass every occupation and role within Misteria. Guard posts These are integral to the communication between villages, serving as an early warning system for attacks and other dangers. He finds himself in the center of a murder investigation involving a prominent politician's wife.

### Mysteria (2011)

These beautiful plants do spread easily and very well.

### MISTERÍA

The villages of Misteria are built in some of the most inaccessible areas in Rathe, and those who live here must rely on their strength and agility to travel amongst the mountains.

### Portulaca 'Hana Misteria'

Even the largest villages are home to close-knit communities, founded long ago by the Great Houses of Misteria. Finally, the Art of the Stone encompasses some forms of woodwork, such as creating larger pieces of furniture, and maintaining the various ropes and bridges connecting the villages of Misteria.

### MISTERÍA

These plants are excellent for high heat and drought tolerance and will seed and spread themselves very well. . Eventually, these lost souls arrive before a broad river, facing a broad cliff on the opposite side.

### Misteria

Signs The first art, the Art of the Signs, is comprised of the study of language and culture. Their hard work and dedication are rewarded with the

experience of living in one of the most beautiful environments in all of Rathe. The celebrations last through the night, and do not end until dawn, when the spirits return to the realm of the dead.
