French Culture in the Channel Islands

Some older speakers in St. Officers advise the Court about what should happen in private law children proceedings, act as guardians for children in public law proceedings and advise as to whether an adoption should be made.

Jèrriais

False Arrest An unlawful physical restraint of an individual. Ownership in common One of the two methods of holding co-owned property, to be distinguished from the other method known as joint ownership.

Jèrriais

It corresponds exactly to the English expression 'arsehole' or 'asshole', which describes quite well how little respect you have for someone. It can be translated as 'I don't give a fuck'. A contract lease requires cancellation in the Royal Court and it is after this point that the Royal Court may make an order putting the landlord into possession.

States of Jersey : definition of States of Jersey and synonyms of States of Jersey (English)

Some older speakers in St.

Jèrriais: Jersey's traditional language

Personalty An English law term for property which is not realty another English law term.
